To Whom It May Concern,

I am writing this letter to recommend Tanmay Desai for any endeavor or opportunity that comes his way. I had the privilege of working closely with Tanmay at Entertainment Partners during a summer internships in 2024 and during that time, I was consistently impressed by his dedication, expertise, and outstanding contributions.

During his internship, Tanmay did an excellent job completing several data analysis projects for EP. His desire to clearly understand the business questions in play and the underlying data equipped him to conduct his analysis. His technical and analytical skills were key in providing valuable insights for the Client Success team which we continue to use in our planning and operational management activities.

Beyond his technical and professional abilities, Tanmay is a true team player and a person of high integrity and reliability. He consistently demonstrated a strong work ethic and a commitment to delivering high-quality results on time while remaining composed under pressure and adapting to changing circumstances.

In summary, I wholeheartedly endorse Tanmay Desai and believe that he would be a valuable asset to any organization. His combination of analytical skills, technical expertise and teamwork makes him a standout professional. I am confident that he will continue to excel and make meaningful contributions wherever his career path takes him,

Please feel free to contact me if you have any questions.

Sincerely,

Dave Finley
